

Maroos

Shipping & Forwarding Company

International Moving of Diplomatic Cargoes

Whether relocating home or office, MAROOS plans and executes a door to door service that includes detailed survey reports, expert packing/crating and efficient forwarding. Comprehensive door-to-door insurance is also available on all air and sea shipments

Over the years, Maroos has transported diplomatic cargoes to respective diplomatic offices abroad and today has the trust of many diplomatic commissions and offices.

With our unparalleled experience in working with Diplomatic cargo and our commitment to customer satisfaction, our clients can expect the highest quality of service at all times. Whether it is removal to a new residence or an international relocation, our diplomatic customers can be assured that their belongings will always be handled with the highest standards and care. Our aim is to ensure a quick, comfortable, and a seamless moving experience every time.
